Hello,

The US EPA has prepared the following guidance:

Thank you for contacting the Region 8 Environmental Information Services Center. Local and national media inquiries about the Gold King Mine release can now be sent to press@epa.gov. We have copied press@epa.gov on this response to you so they are aware of your request. We also have a phone line in our Joint Information Center staffed by press officers. The phone number is 970-812-3351.

The US EPA has prepared the following information resource:

Attorney Client/Ex. 5

Please see our website for the latest information: <http://www2.epa.gov/goldkingmine>

Regular updates will be posted as they are available.

Subject: CBS News Inquiry: Update Animas River Data

Hello, I am seeing reports that EPA released final data related to the initial Animas River incident and the level of toxicity in the hours after the spill. Is this information available. I am looking to use it in our coverage tonight.
